Institute of Information Technology, DU
Executive Master in Information Technology (MIT)

Semester Enrollment Form

Student's Information

Student's Name [In Block Later]: .....

Roll: ..... **Admitted in MIT in:** January-June, 20____ / July-December, 20____

Registration No.: ..... **Session:** .....

Hall: .....

Mobile No.: .....

Course List (already completed):

Courses	Completed?
MITM 301: IT Project Management	
MITM 303: Advanced Computer Networks & Internetworking	
MITM 304: Database Architecture and Administration	
MITM 305: Web Technology and Internet Computing	
MITM 310: Advanced Data Structures and Algorithms	
MITM 311: Advanced Object-Oriented Programming	
MITM 421: Project for MIT	

Courses	Completed?
MITE 430: Machine Learning	
MITE 432: Cryptography and Security Mechanisms	
MITE 433: Cyber Security	
MITE 434: Software Quality Assurance and Testing	
MITE 435: Software Design Pattern	
MITE 436: Artificial Intelligence	
MITE 439: Software Requirements Engineering and Design	

Semester Enrollment Information

Which Semester do you want to be enrolled?: ☐ January—June, 2025 ☐ July—December, 2025

How many Course(s) do you want to be enrolled? .....

Which Course(s) do you want to be enrolled?:

Courses	Want to be enrolled?
MITM 303: Advanced Computer Networks & Internetworking	
MITM 304: Database Architecture and Administration	
MITM 310: Advanced Data Structures and Algorithms	
MITM 311: Advanced Object-Oriented Programming	
MITM 301: IT Project Management	
MITM 305: Web Technology and Internet Computing	

Courses	Want to be enrolled?
MITM 421: Project for MIT/Internship	
MITE 430: Machine Learning	
MITE 433: Cyber Security	
MITE 436: Artificial Intelligence	
MITE 439: Software Requirements Engineering and Design	

N.B.: Maximum 45 students will get permission to be enrolled in each course.
